Club News

Greetings fellow treasure hunters. Our Leonard Bratton Memorial hunt went spectacular. We had some great gifts and donations from many companies and individuals. Most of the Prizes that were donated were from Minelab Metal detectors, Dessie with Garrett, and Lost Treasure Magazine. We would also like to thank American Digger magazine, Doug and Judy Kirkland, Mike Plyler, Don Faris w/h Hobby Stop, Bill Styles, Scott Ellman, Gingo ware software, and any others that donated prizes or just showed up to show your support. Francis Alexander Held a wonderful kids hunt with many prizes; my kids are still talking about it. Rick baker out did himself this year and did a wonderful job with the target range. (Man I kicked butt on that this year). Lanny Irby supplied the grill and Chuck Smith was our Chef this year, Great job Guys. Thanks to Scott Bradley for providing much of the silver and coin prizes this year. Bill Styles provided the gold panning which had some NICE gold pickers in there for anyone who tried. And Lets not forget to thank Scott Ellman for putting on a great hunt this year.
